NEWS RELEASE

DPMS 20th Anniversary Rifle

Collector's Edition – Only 100 Made

DPMS Panther Arms marks its 20th anniversary with a rifle that no serious rifle collection should be without – the 20th Anniversary Rifle. Chambered in .223 Remington the commemorative rifle features a 20" highly polished and fluted, 416 stainless steel bull barrel. A matte black, standard length, vented free float tube provides the shooter with a comfortable grip and stands in stark contrast to the numerically matched, chrome-plated upper and lower receivers. Extruded from 6066-T6 aluminum, the chrome plated Hi-Rider upper receiver has been polished to a mirror finish and features a chrome-plated charging handle. Each gleaming chrome-plated lower receiver, a 7075-T6 aluminum forging, features a limited edition number and an engraved anniversary seal on the magazine well, distinguishing these rifles as true collector's items. A Koelbl single rail gas block, a panther tactical grip and the buttstock with a DPMS logo engraved on it complete this very special rifle. Collectors take note, with only 100 in existence; this rifle will not last long.

Available now, the DPMS-Panther Arms 20th Anniversary Rifle (RFHR-AV) will retail for $1995.00.

DPMS is an industry leader in providing quality AR-style rifles, components and accessories. No other company offers more styles or configurations of AR rifles. DPMS also provides choices for high-power and small-bore shooters by offering several rifles chambered in .204 Ruger, .22LR, .223 Remington/5.56x45mm, 7.62x39mm, 6.8x43mm SPC, .243 Winchester, .308 Winchester, .260 Remington and .300 Remington SAUM.
